Resolution 19:

That, subject to the passing of Resolution 18 above, the Directors be generally empowered pursuant to sections 570 and 573 of the Act to allot equity securities (as defined in section 560 of the Act) of the Company wholly for cash pursuant to the authority of the Directors under section 551 of the Act conferred by Resolution 18 above, and/or by way of a sale of treasury shares for cash, in each case as if section 561(1) of the Act did not apply to any such allotment provided that:

- (a) the power conferred by this Resolution shall be limited to:
 - (i) the allotment of equity securities in connection with an offer of, or invitation to apply for, equity securities (but in the case of the authority granted under Resolution 18(a)(i)(B), by way of a rights issue only):

(A) to holders of ordinary shares in the capital of the Company in proportion (as nearly as may be practicable) to their existing respective holdings; and

(B) to holders of any other equity securities as required by the rights of those securities or as the Directors otherwise consider necessary,

but subject to such exclusions, restrictions or other arrangements as the Directors may deem necessary or expedient to deal with treasury shares, fractional entitlements, record dates or legal, regulatory or practical problems arising under the laws or requirements of any territory or any other matter; and

(ii) the allotment of equity securities (otherwise than pursuant to sub-paragraph (a) above) up to an aggregate nominal amount of £1,110,705.41; and

(a) the maximum aggregate number of Ordinary Shares authorised to be purchased is £1,110,705.41 (representing 10% of the issued share capital);

(b) the minimum price (exclusive of expenses) which may be paid for an Ordinary Share is £0.01;

(c) the maximum price (exclusive of expenses) which may be paid for an Ordinary Share is an amount equal to the higher of:

(i) 105% of the average of the middle market quotations for an Ordinary Share as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which that Ordinary Share is contracted to be purchased; and

(ii) the higher of the price of the last independent trade of an Ordinary Share and the highest current independent bid for an ordinary share on the exchange where the purchase is carried out as derived from the London Stock Exchange Trading System ('SETS');

(d) this authority shall, unless previously renewed, revoked, varied or extended, expire at the conclusion of the next annual general meeting of the Company;

(e) the Company may enter into any contract for the purchase of Ordinary Shares under this authority before the expiry of this authority which would or might be completed wholly or partly after the expiry of this authority.

Resolution 21:

That a general meeting of the Company, other than an annual general meeting, may be called on not less than 14 clear days' notice.

Explanatory Notes to the Resolutions

The notes on the following pages explain the proposed Resolutions.

Resolutions 1 to 18 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 19 to 21 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three quarters of the votes cast must be in favour of the resolution.

Resolution 1 – Annual Report and Accounts:

Under section 437 of the Act, the Directors of the Company are required to lay before the Company in general meeting its annual accounts and reports for the financial year ended 31 January 2015. The report of the Directors, the accounts, and the report of the Company's auditors on the accounts and on those parts of the Directors' Remuneration Report that are capable of being audited are contained within the 2015 Annual Report and Accounts.

Resolution 2 – Directors' Remuneration Report:

In accordance with section 439 of the Act, shareholders are requested to approve the Directors' Remuneration Report. The Directors' Remuneration Report, which is set out on pages 73 to 95 of the 2015 Annual Report and Accounts, gives details of your Directors' remuneration for the financial year ended 31 January 2015 and sets out the way in which the Company will implement its policy on Directors' remuneration. The Company's auditors, Ernst & Young LLP, have audited those parts of the Directors' Remuneration Report capable of being audited (as set out on pages 77, 90 and 92 of the 2015 Annual Report and Accounts). The vote on the Directors' Remuneration Report is advisory in nature in that payments made or promised to Directors will not have to be repaid, reduced or withheld in the event that this Resolution is not passed.

Resolution 3 – Directors' Remuneration Policy:

The Company proposes an ordinary resolution to approve the Directors' Remuneration Policy contained in the Directors' Remuneration Report as set out on pages 80 to 89 of the 2015 Annual Report and Accounts.

This Resolution is required to be put to shareholders in accordance with section 439A of the Act. The vote is binding in nature in that the Company may not make a remuneration payment or payment for loss of office to a person who is, is to be, or has been a director of the Company unless that payment is consistent with the approved Directors' Remuneration Policy, or has otherwise been approved by a resolution of members.

If Resolution 3 is passed, the Directors' Remuneration Policy will take effect immediately after the end of the AGM on 23 June 2015. Shareholder approval for the remuneration policy must be sought at least every three years. Shareholder approval must additionally be sought if the Directors wish to change the remuneration policy within such three year period.

Resolution 4 – Declaration of a Final Dividend:

A final dividend can only be paid after the shareholders at a general meeting have approved it. If approved, the dividend will be paid on 30 June 2015 to shareholders on the register of members of the Company at the close of business on 5 June 2015.

Resolutions 5 to 14 – Election of Directors:

Resolutions 5 to 14 propose the election of Directors. As this is the Company's first annual general meeting, and in accordance with the UK Corporate Governance Code, all Directors will submit themselves for election at this annual general meeting except for Stuart Howard who will step down at the AGM. If elected, the elections of Directors will take effect at the conclusion of the Company's AGM.

The Company is committed to high levels of corporate governance in accordance with the UK Corporate Governance Code. The UK Corporate Governance Code recommends that all directors of FTSE 350 companies should be subject to annual election by shareholders. The Company has decided to adopt this requirement of best corporate practice, on a voluntary basis, and all Directors will therefore seek annual re-election at future annual general meetings of the Company.

On 16 May 2014, the Financial Conduct Authority (the 'FCA') announced the commencement of new rules which provide protections for the minority shareholders of a premium listed company in which there is a 'controlling shareholder' (defined by the FCA as 'any person whom exercises or controls, on their own or together with any person with whom they are acting in concert, 30% or more of the votes able to be cast on all or substantially all matters at general meetings of the company'). Under these new rules, the election or re-election by the shareholders of an independent non-executive director must be approved by an ordinary resolution of the shareholders and separately approved by those shareholders

who are not controlling shareholders (the 'Independent Shareholders'). If the ordinary resolution to approve the election or re-election of an existing independent non-executive director is passed, but separate approval by the Independent Shareholders is not given, the Listing Rules permit an existing independent non-executive director to remain in office pending a further ordinary resolution of all the shareholders to approve the election or re-election of that director. Such a resolution may only be voted on within the period of between 90 days and 120 days following the date of the original vote.

The Company intends to seek the separate approval of its Independent Shareholders for each of Resolutions 8, 9, 10 and 11 proposing the appointment of an independent non-executive director. Such approval will be sought following the vote on each of those Resolutions by the Company's shareholders and will be sought by discounting from the result of the vote on each such resolution the votes of those shareholders who are identified as controlling shareholders of the Company as at 6.00pm on 19 June 2015. As at 14 May 2015 (being the latest practicable date prior to publication of this Notice), Acromas Bid Co Limited held 566,474,283 Ordinary Shares, representing 51% of the Company's issued share capital.

Separate approval will be given by the Independent Shareholders if it is given by Independent Shareholders representing a simple majority of the total voting rights of Independent Shareholders who vote. The Company will, on announcing the result of the AGM, announce, in respect of Resolutions 8, 9, 10 and 11, the result of both the vote of the Company's shareholders and the vote of the Independent Shareholders.

If separate Independent Shareholder approval is not given for any relevant resolution, the Company intends that the relevant appointment will continue for 120 days from the date of the original vote, unless a further ordinary resolution for re-election is passed. If a further ordinary resolution to approve the re-election of the relevant Director is defeated, his or her appointment will cease on that resolution being defeated.

Biographical details of each of the Directors standing for election are on pages 60 to 61 of the 2015 Annual Report and Accounts.

The Company has determined that each of the four independent non-executive directors being proposed for election (being, Philip Green, Raymond King, Orna NiChionna and Gareth Williams (the 'Independent Directors') meet the independence criteria prescribed in the UK Corporate Governance Code. The Company confirms that there have been no previous or existing relationships, transactions or arrangements between each of the Independent Directors and the Company, any of its directors, the controlling shareholder of the Company or any associate of the controlling shareholder other than the fact that Philip Green currently serves on the board of BakerCorp, a Permira portfolio company. The Board has concluded that, notwithstanding such relationship, Philip Green's judgement, experience and challenging approach ensures that he makes a significant contribution to the work of the Board and its committees. Therefore, the Board has determined that Philip is of independent character and judgement and should be regarded as an independent director for the purposes of the UK Corporate Governance Code. All of the Independent Directors are experienced and have a broad knowledge of the sectors in which the Company operates. In light of their career experience and knowledge, the Board considers that each Independent Director brings valuable skills to the Board and provides an impartial viewpoint.

As the Company has had less than a full year in operation, it has been decided that it was too early to carry out an effectiveness review of the Board's performance and work. A full evaluation of the Board, its committees and its individual Directors will be conducted in the next financial year. However, the Chairman confirms that each of the Directors being proposed for election continues to be effective and to demonstrate commitment to the role and has sufficient time to meet his or her commitments to the Company.

In relation to the process followed by the Company for the selection of the Independent Directors, Philip Green, Raymond King, Orna NiChionna and Gareth Williams were selected following a recruitment process managed by MWM Consulting, an external search agency, after a competitive pitch process. A role description for each of the four appointments was developed and set out the capabilities required. After MWM Consulting had identified a list of potential candidates, a shortlist was selected for interview. After detailed interviewing, thorough referencing and careful consideration of the balance of the Board that would be created, the Independent Directors were selected and put forward for Board approval.

Resolutions 15 and 16 – Auditor:

The Company is required to appoint or re-appoint an auditor at each general meeting at which accounts are presented to shareholders. The current appointment of Ernst & Young LLP as the Company's auditors will end at the conclusion of the AGM and they have advised of their willingness to stand for re-appointment. Resolution 15 proposes the re-appointment of Ernst & Young LLP until the conclusion of the next general meeting of the Company at which accounts are laid. Resolution 16 grants authority to the Company's Directors to determine the auditors' remuneration.

Resolution 17 – Political Donations:

The purpose of Resolution 17 is to authorise the Company and/or its subsidiaries to make limited political donations or incur limited political expenditure, within the meaning of such expressions as contained in the Act. It is not proposed or intended to alter the Company's policy of not making political donations, within the normal meaning of such expressions.

However, given the breadth of the relevant sections in the Act, it may be that some of the Company's activities could fall within the potentially wide definitions of political donations and political expenditure under the Act and, without the necessary authorisation, the Company's ability to communicate its views effectively to, for example, interest groups or lobbying organisations could be inhibited.

Accordingly, the Company believes that the authority contained in this Resolution is necessary to allow it and its subsidiaries to fund activities in relation to which it is in the interests of shareholders that the Company should support. Such authority will enable the Company and its subsidiaries to be sure that they do not, because of any uncertainty as to the bodies or the activities covered by the Act, unintentionally commit a technical breach of the relevant sections of the Act. Any donations or expenditure, which may be made or incurred under the authority of Resolution 17, will be disclosed in next year's annual report.

Resolution 18 – Directors' Authority to Allot Shares:

The Directors may only allot shares or grant rights to subscribe for, or convert any security into, shares if authorised to do so by shareholders. The authority conferred on the Directors on 7 May 2014 under section 551 of the Act to allot shares expires on the date of the forthcoming AGM. Accordingly, this Resolution seeks to grant a new authority under section 551 of the Act to authorise the Directors to allot shares in the Company or grant rights to subscribe for, or convert any security into, shares in the Company and will expire at the conclusion of the next AGM of the Company in 2016. Paragraph (A) of Resolution 18 will, if passed, authorise the Directors to allot shares or grant rights to subscribe for, or to convert any security into, such shares in the Company up to a maximum nominal amount of £3,698,649. This amount represents 33.3% of the Company's existing issued ordinary share capital (the Company has no treasury shares) as at 14 May 2015 (being the latest practicable date prior to publication of this Notice). Paragraph (B) of Resolution 18 authorises the Directors to allot, including the shares referred to in (A), further of the Company's unissued shares up to an aggregate nominal amount of £7,397,298, representing 66.6% of the Company's existing issued ordinary share capital (the Company has no treasury shares) as at 14 May 2015 (being the latest practicable date prior to publication of this Notice) in connection with a pre-emptive offer to existing shareholders by way of a rights issue (with exclusions to deal with fractional entitlements to shares and overseas shareholders to whom the rights issue cannot be made due to legal and practical problems). This is in accordance with the latest guidelines published by the Investment Association.

This authority will expire on the conclusion of the annual general meeting of the Company next year. The Board has no present intention to exercise this authority. However it is considered prudent to maintain the flexibility that this authority provides. The Directors intend to renew this authority annually. The Company currently holds no shares in treasury.

Resolution 19 – Disapplication of Pre-emption Rights:

Under section 561(1) of the Act, if the Directors wish to allot ordinary shares, or grant rights to subscribe for, or convert securities into, ordinary shares, or sell treasury shares for cash (other than pursuant to an employee share scheme) they must in the first instance offer them to existing shareholders in proportion to their holdings. There may be occasions, however, when the Directors need the flexibility to finance business opportunities by the issue of shares without a pre-emptive offer to existing shareholders. This cannot be done under the Act unless the shareholders have first waived their pre-emption rights. Resolution 19 asks the shareholders to do this and, apart from rights issues or any other pre-emptive offer concerning equity securities, the authority contained in this Resolution will be limited to the issue of shares for cash up to an aggregate nominal value of £1,110,705.41 (which includes the sale on a non pre-emptive basis of any shares held in treasury), which represents approximately 10% of the Company's issued ordinary share capital as at 14 May 2015 (being the latest practicable date prior to the publication of this Notice).

The Board intends to adhere to the provisions in the Pre-emption Group's Statement of Principles, as updated in March 2015, and to not allot shares for cash on a non pre-emptive basis pursuant to the authority in Resolution 18: (i) in excess of an amount equal to 5% of the total issued ordinary share capital of the Company excluding treasury shares; or (ii) in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company excluding treasury shares within a rolling three-year period, without prior consultation with shareholders, in each case other than in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

This Resolution seeks a disapplication of the pre-emption rights on a rights issue so as to allow the Directors to make exclusions or such other arrangements as may be appropriate to resolve legal or practical problems which, for example, might arise with overseas shareholders. This authority expires at the end of the next annual general meeting of the Company after the date on which this Resolution is passed (or, if earlier, at the close of business on 31 July 2016).

The Company may hold any shares it buys back 'in treasury' and then sell them at a later date for cash rather than simply cancelling them. Any such sales are required to be made on a pre-emptive, pro-rata basis to existing shareholders unless shareholders agree by special resolution to disapply such pre-emption rights. Accordingly, in addition to giving the

Directors power to allot unissued ordinary shares on a non-pre-emptive basis, Resolution 19 will also give the Directors power to sell ordinary shares held in treasury on a non-pre-emptive basis, subject always to the limitations noted above. The Company does not currently hold any shares in treasury.

The Directors consider that the power proposed to be granted by Resolution 19 is necessary to retain flexibility, although they do not have any intention at the present time of exercising such power. The Directors intend to renew this authority annually.

Resolution 20 – Purchase of Own Shares:

This Resolution authorises the Directors to make market purchases of the Company's shares up to an aggregate nominal value of £1,110,705.41, representing 10% of the issued share capital of the Company as at 14 May 2015, being the latest practicable date before the publication of this Notice. Shares so purchased may be cancelled or held as treasury shares. This authority expires on the conclusion of the next annual general meeting of the Company. The Directors intend to seek renewal of this authority at subsequent annual general meetings of the Company.

The Directors have no current intention to exercise the authority sought by this Resolution, but will keep the matter under review. The Directors will use this authority with discretion, when they consider such purchase to be in the best interests of the Company and, where required by the Company's controlling shareholder, if The Panel on Takeovers and Mergers first provide a waiver from Rule 9 of The City Code on Takeovers and Mergers. In reaching a decision to purchase shares of the Company the Directors would take account of the Company's business and any impact on earnings per share and net tangible assets per share, as well as all other relevant factors. The decision as to whether such shares bought back will be cancelled or held in treasury will be made by the Directors on the same basis at the time of purchase. Any impact on earnings per share will, for the purposes of any incentive award, be adjusted to take account of the exercise of the share purchase authority.

The minimum price that can be paid for an Ordinary Share is 1p being the nominal value of an Ordinary Share. The maximum price that can be paid shall be the higher of (i) 5% over the average of the middle market prices for an Ordinary Share, derived from the Daily Official List of the London Stock Exchange, for the five business days immediately before the day on which the share is contracted to be purchased; and (ii) the higher of the price of the last independent trade of an Ordinary Share and the highest current independent bid for an Ordinary Share on the market where the purchase is carried out as derived from the SETS.

Any purchases of Ordinary Shares would be by means of market purchases through the London Stock Exchange. Any shares purchased under this authority may either be cancelled or held as treasury shares. Treasury shares may subsequently be cancelled, sold for cash or used to satisfy options issued to employees pursuant to the Company's employee shares schemes.

As at 14 May 2015, being the latest practicable date before publication of this Notice, there were outstanding options under the Company's discretionary share incentive plans and employee share savings schemes in respect of 17,750,115 Ordinary Shares, representing 1.60% of the Company's issued ordinary share capital (there are no treasury shares) at that date. If the authority under this Resolution to purchase the Ordinary Shares was exercised in full, the proportion of Ordinary Shares subject to such options would represent 1.78% of the Company's issued ordinary share capital as at 14 May 2015, being the latest practicable date before publication of this Notice. There are no warrants outstanding.

Resolution 21 – Notice of Meetings other than Annual General Meetings:

The Act sets the notice period required for general meetings of the Company at 21 days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days. This Resolution seeks such approval. Whilst the Company's Articles of Association already provide for a minimum notice period of 14 days for general meetings, the Act (as amended by the EU Shareholder Rights Directive) requires that the Company requests Shareholders to authorise this minimum notice period at every annual general meeting in order to be able to take advantage of this provision. The approval will be effective until the Company's next annual general meeting, at which it is intended a similar resolution will be proposed. The Directors' intention is to only call general meetings on less than 21 days' notice where such shorter notice period is merited by the business of the meeting or thought to be in the interests of shareholders as a whole.

Adoption of Financial Reporting Standard (FRS) 101- Reduced Disclosure Framework

Following publication of FRS 100 Application of Financial Reporting Requirements by the Financial Reporting Council, Saga plc is required to change its accounting framework for its entity financial statements, which is currently UK GAAP, for its financial year commencing 1 February 2015. The Board considers that it is in the best interests of the group for Saga plc to adopt FRS 101 Reduced Disclosure Framework. No disclosures in the current UK GAAP financial statements would be omitted on adoption of FRS 101. A shareholder or shareholders holding in aggregate 5% or more of the total allotted shares in Saga plc may serve objections to the use of the disclosure exemptions on Saga plc, in writing, to its registered office (Enbrook Park, Sandgate, Folkestone, Kent CT20 3SE) no later than 31 July 2015.

Notes to the Notice of Annual General Meeting

1. Only those members entered on the register of members of the Company as at 6.00pm on Friday 19th June 2015 (or if the AGM is adjourned, 6.00pm on the date which is 48 hours before the time fixed for the adjourned AGM excluding any UK non-working days) shall be entitled to attend and vote at the above meeting and a member may vote in respect of the number of Ordinary Shares registered in the member's name at that time. In each case changes to entries in the register of members after such time shall be disregarded in determining the rights of any person to attend and vote at the AGM. These requirements reflect Part 13 of the Act and Regulation 41 of The Uncertificated Securities Regulations 2001 (as amended).
2. A member of the Company who wishes to attend the meeting in person should arrive at Enbrook Park, Sandgate, Folkestone, Kent CT20 3SE in good time before the meeting, which will commence at 10.00am. In order to gain admittance to the meeting, members may be required to prove their identity.
3. A member may appoint a proxy (who need not be a member of the Company) to exercise all or any of their rights to attend, speak and vote at the AGM. You can appoint the Chairman of the meeting or anyone else to be your proxy at the AGM. You can also, if you wish, appoint more than one proxy provided that each proxy is appointed to exercise the rights attached to a different share or shares held by you. A proxy need not be a member but must attend the AGM in order to represent you, and must vote in accordance with your instructions. A Form of Proxy is enclosed. The notes to the Form of Proxy include instructions on how to appoint the Chairman of the AGM or any other person as proxy.
4. **To be valid, the Form of Proxy and any authority under which it was executed (or a notarially certified copy of such authority) must be deposited with the Company's Registrars, Capita Asset Services, in accordance with the instructions set out on the Form of Proxy by no later than 10.00am on 19 June 2015** (or if the AGM is adjourned, 48 hours before the time fixed for the adjourned AGM, excluding any UK non-working days). Completion of the enclosed Form of Proxy will not preclude shareholders from attending and voting at the meeting in person (although voting in person at the AGM will terminate the proxy appointment).

Members who prefer to register the appointment of their proxy electronically via the internet can do so through the Saga Shareholder Services Portal www.sagashareholder.co.uk where full instructions on the procedure are given. The Investor Code (IVC) printed on the Form of Proxy will be required in order to use this electronic proxy appointment system. Alternatively, members who have already registered with Saga Shareholder Services Portal can appoint their proxy electronically by logging on to their portfolio at www.sagashareholder.co.uk and clicking on the link to vote.

A proxy appointment made electronically will not be valid if sent to any address other than those provided or if received after 10.00am on 19 June 2015.

5. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM to be held on 23 June 2015 and any adjournment(s) thereof by using the procedures described in the CREST Manual (available at www.euroclear.com).

CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ('EUI') specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by 10.00am on 19 June 2015. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this

connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).

6. **If you hold your shares within the Saga Shareholder Account ('SSA') then you will have been sent a Form of Direction with this Notice. The Investor Code (IVC) printed on the Form of Direction will be required in order to log in to the system. Voting online will not preclude you from attending and voting at the meeting in person. Notes 3 to 5 above do not apply to you.

An electronic vote will not be valid if sent to any address other than those provided or if received after 10.00am on 18 June 2015.

7. In the case of joint holders of shares, the vote of the first named in the register of members who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders.

9. If you are a person who has been nominated by a member under section 146 of the Act to enjoy information rights in accordance with section 146 of the Act, Notes 3 to 6 above do not apply to you (as the rights described in those Notes can only be exercised by members of the Company) but you may have a right under an agreement between you and the member by whom you were nominated to be appointed or to have someone else appointed, as a proxy for the AGM. If you have no such right or do not wish to exercise it, you may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.

13. It is possible that, pursuant to requests made by members of the Company under section 527 of the Act (Members' power to require website publication of audit concerns), the Company may be required to publish on a website a statement setting out any matter relating to the audit of the Company's accounts (including the Auditor's Report and the Conduct of the Audit) that are to be laid before the AGM.

The Company may not require the members requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act (Requirements as to website availability). Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM will include discussion regarding any statement that the Company has been required under section 527 of the Act to publish on a website.

14. A member that is a company or other organisation not having a physical presence can appoint someone to represent it. This can be done in one of two ways: either by the appointment of a proxy (described in Notes 3 to 5 above) or of a corporate representative. Members considering the appointment of a corporate representative should check their own legal position, the Company's Articles of Association and the relevant provisions of the Act.
15. You may not use any electronic address provided either in this Notice of AGM or any related documents (including the Form of Proxy/Form of Direction) to communicate with the Company for any purpose other than those expressly stated.
