That:

That the Company be and is hereby generally and unconditionally authorised for the purposes of Section 701 of the Act to make market purchases (within the meaning of Section 693(4) of the Act) of its ordinary shares of £0.01 each ('Ordinary Shares') provided that:

- (a) the maximum aggregate number of Ordinary Shares authorised to be purchased is £1,118,005.41 (representing 10% of the issued share capital);
- (b) the minimum price (exclusive of expenses) which may be paid for an Ordinary Share is £0.01;
- (c) the maximum price (exclusive of expenses) which may be paid for an Ordinary Share is an amount equal to the higher of:
 - (i) 105% of the average of the middle market quotations for an Ordinary Share as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which that Ordinary Share is contracted to be purchased; and
 - (ii) the higher of the price of the last independent trade of an Ordinary Share and the highest current independent bid for an ordinary share on the exchange where the purchase is carried out as derived from the London Stock Exchange Trading System ('SETS');
- (d) this authority shall, unless previously renewed, revoked, varied or extended, expire at the conclusion of the next annual general meeting of the Company; and
- (e) the Company may enter into any contract for the purchase of Ordinary Shares under this authority before the expiry of this authority which would or might be completed wholly or partly after the expiry of this authority.

Resolution 18:

That a general meeting of the Company, other than an annual general meeting, may be called on not less than 14 clear days' notice.

Explanatory Notes to the Resolutions

The notes on the following pages explain the proposed Resolutions.

Resolutions 1 to 15 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 16 to 18 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three quarters of the votes cast must be in favour of the resolution.

Resolution 1 – Annual Report and Accounts:

Under section 437 of the Act, the Directors of the Company are required to lay before the Company in general meeting its annual accounts and reports for the financial year ended 31 January 2016. The report of the Directors, the accounts, and the report of the Company's auditors on the accounts and on those parts of the Directors' Remuneration Report that are capable of being audited are contained within the 2016 Annual Report and Accounts.

Resolution 2 – Directors' Remuneration Report:

In accordance with section 439 of the Act, shareholders are requested to approve the Directors' Remuneration Report. The Directors' Remuneration Report, which is set out on pages 78 to 100 of the 2016 Annual Report and Accounts, gives details of your Directors' remuneration for the financial year ended 31 January 2016 and sets out the way in which the Company will implement its policy on Directors' remuneration. The Company's auditors, Ernst & Young LLP, have audited those parts of the Directors' Remuneration Report capable of being audited (as set out on pages 87, 92 and 95 to 97 of the 2016 Annual Report and Accounts). The vote on the Directors' Remuneration Report is advisory in nature in that payments made or promised to Directors will not have to be repaid, reduced or withheld in the event that this Resolution is not passed.

Resolution 3 – Declaration of Final Dividend:

A final dividend can only be paid after the shareholders at a general meeting have approved it. If approved, the dividend will be paid on 30 June 2016 to shareholders on the register of members of the Company at the close of business on 13 May 2016.

Resolutions 4 to 11 – Election of Directors:

Resolutions 4 to 10 propose the re-election of Directors and Resolution 11 proposes the election of an additional Non-Executive Director appointed to the Board during the financial year ended on 31 January 2016. In accordance with the UK Corporate Governance Code, all Directors will submit themselves for re-election or election at this annual general meeting. If re-elected/elected, the re-elections/election of Directors will take effect at the conclusion of the Company's AGM.

The Company is committed to high levels of corporate governance in accordance with the UK Corporate Governance Code. The UK Corporate Governance Code recommends that all directors of FTSE 350 companies should be subject to annual election by shareholders. The Company has decided to adopt this requirement of best corporate practice, on a voluntary basis, and all Directors will therefore seek annual re-election at future annual general meetings of the Company.

Biographical details of each of the Directors standing for election are below.

Board of Directors

Andrew Goodsell, Chairman

Andrew joined Saga in 1992 as Business Development Manager, Saga Services. He became Saga Group Business Development Director in 1995, Chief Executive of Saga Services and Saga Investment Direct in 1999, Deputy Group Chief Executive in 2001 and Chief Executive and Chairman in 2004. He has led two management buy outs at Saga. The second, in 2007, brought together Saga and the AA under the holding company Acromas Holdings. Andrew was Executive Chairman of the AA from 2007 until Acromas Holdings sold it in 2014; and Executive Chairman of Saga from 2007 until he became Non-Executive Chairman on 1 July 2015. He brings great experience of the Group to his Board role.

Lance Batchelor, Group Chief Executive Officer

Lance joined Saga as Group Chief Executive Officer in March 2014. Prior to that he was CEO of Domino's Pizza Group plc from 2011-2014 and CEO of Tesco Mobile from 2008-2011. His earlier experience includes senior marketing roles at Procter & Gamble, Amazon.com and Vodafone. Lance's first career was as a Royal Navy submarine officer. He holds an MBA from Harvard Business School, and is a Trustee of the National Gallery. Lance has a wealth of senior operational experience in listed companies which he brings to his role at Saga.

Jonathan Hill, Group Chief Financial Officer

Jonathan joined Saga in April 2015 from Bovis Homes Group plc where he was Group Finance Director. Prior to that, he held various senior roles within TUI Travel and Centrica. Jonathan qualified as a Chartered Accountant at Price Waterhouse in London. He brings a wealth of senior financial operational and listed company experience to his role at Saga.

Philip Green CBE, Senior Independent Non-Executive Director

Philip is currently Chairman of Carillion plc. He is also Chairman of BakerCorp, a US industrial services company owned by Permira, and Chairman Designate of Williams & Glyn. Previously, Philip was Chairman of Clarkson plc, Chief Executive of United Utilities Group plc and Chief Executive of Royal P&O Nedlloyd NV. His earlier business experience includes serving as Chief Operating Officer of Reuters Group plc and Chief Operating Officer of DHL for Europe and Africa. Philip is also the UK Prime Minister's adviser on corporate responsibility and Chairman of Sentebale, a charity set up by HRH Prince Harry. Philip was awarded a CBE in the 2014 Queen's Birthday Honours List. This was for services to business and to charity in the UK and South Africa. Philip brings his experience of running a variety of complex international organisations and acting as an Executive and Non-Executive Director of many public companies to the Board.

Ray King, Independent Non-Executive Director

Ray is currently Chairman of Rothesay Holdco UK Ltd and of its regulated subsidiary, Rothesay Life plc. He is also a Non-Executive Director of the Financial Reporting Council where he is a member of the Codes and Standards Committee and chairs the Audit and Assurance Council. Previously, he was Chief Executive of Bupa from 2008-2012, after serving as Group Finance Director from 2001-2008. Before Bupa, Ray was a Non-Executive Director of Friends Provident plc, Deputy Chief Executive of Parity Group plc, Director of Group Finance and Control at Diageo plc and Group Finance Director of Southern Water plc. In 2015, Ray resigned as a Reporting Panel Member of the Competition and Markets Authority and as a Non-Executive Director of Infinis Energy Plc. His financial experience coupled with his knowledge of running a business similar to Saga, and his Non-Executive Director experiences including that of chairing audit committees, are all immensely helpful to the Board.

Orna NiChionna, Independent Non-Executive Director

Orna is currently Senior Independent Non-Executive Director of Royal Mail plc. Previously, she was Senior Independent Non-Executive Director of HMV plc, Northern Foods plc and Bupa and a Non-Executive Director of the Bank of Ireland UK Holdings plc and Bristol & West plc. Orna is also currently the Deputy Chairman of the National Trust and a former Partner at McKinsey & Company. Whilst at McKinsey & Company, Orna's client portfolio included many consumer facing clients and she brings these skills to the Board along with her considerable experience in other Non-Executive Director roles.

Gareth Williams, Independent Non-Executive Director

Gareth is currently a Non-Executive Director of YSC Limited and WNS (Holdings) Limited. Previously, he was Human Resources Director of Diageo plc and held a series of key positions in human resources at Grand Metropolitan plc. Gareth's contributions to the Board are on all aspects of human resources and his experience of working at Director level in a consumer facing organisation also allows him to contribute to all other subjects of debate.

Bridget McIntyre, Independent Non-Executive Director

Bridget is currently a Non-Executive Director of Adnams plc. Previously, she was Chief Executive of the RSA UK business and a Director of RSA Insurance Group plc having held senior roles at Aviva (and pre-merger Norwich Union). Bridget is also an associate with the Chartered Institute of Management Accountants. Bridget brings in-depth insurance expertise as well as considerable general and financial management experience to the Board.

The Company has determined that each of the five independent non-executive directors being proposed for re-election (being Philip Green, Raymond King, Orna NiChionna and Gareth Williams) and for election (being Bridget McIntyre) (together 'the Independent Directors') meet the independence criteria prescribed in the UK Corporate Governance Code. The Company confirms that there have been no previous or existing relationships, transactions or arrangements between each of the Independent Directors and the Company or any of its directors, other than the fact that Philip Green currently serves on the board of BakerCorp, a Permira portfolio company. The Board has concluded that, notwithstanding such relationship, Philip Green's judgement, experience and challenging approach ensures that he makes a significant contribution to the work of the Board and its committees. Permira's relationship with the Company ceased when Acromas Bid Co Limited sold all remaining shares it held in the Company on 22 April 2016 (trade settled on 26 April 2016). Therefore, the Board has determined that Philip is of independent character and judgement and should be regarded as an independent director for the purposes of the UK Corporate Governance Code. All of the Independent Directors are experienced and have a broad knowledge of the sectors in which the Company operates. In light of their career

experience and knowledge, the Board considers that each Independent Director brings valuable skills to the Board and provides an impartial viewpoint.

A full evaluation of the Board, its committees and its individual Directors took place during the year. This was an internal review with the support of Independent Audit Limited. A full explanation of the evaluation exercise can be found on page 63 of the 2016 Annual Report and Accounts. The Chairman confirms that each of the Directors being proposed for election and re-election continues to be effective and to demonstrate commitment to the role and has sufficient time to meet his or her commitments to the Company.

MWM Consulting, an external search company, assisted in the recruitment process for an additional Non-Executive Director. A role description was developed and set out the capabilities required. After MWM Consulting had identified a list of potential candidates, a shortlist was selected for interview. After detailed interviewing, thorough referencing and careful consideration of the skillset required to balance of the Board and complement existing competencies, Bridget McIntyre was selected and put forward for Board approval.

Resolutions 12 and 13 – Auditor:

The Company is required to appoint or re-appoint an auditor at each general meeting at which accounts are presented to shareholders. The current appointment of Ernst & Young LLP as the Company's auditors will end at the conclusion of the AGM and they have advised of their willingness to stand for re-appointment. Resolution 12 proposes the re-appointment of Ernst & Young LLP until the conclusion of the next general meeting of the Company at which accounts are laid. Resolution 13 grants authority to the Company's Directors to determine the auditors' remuneration.

Resolution 14 – Political Donations:

The purpose of Resolution 14 is to authorise the Company and/or its subsidiaries to make limited political donations or incur limited political expenditure, within the meaning of such expressions as contained in the Act. It is not proposed or intended to alter the Company's policy of not making political donations, within the normal meaning of such expressions.

However, given the breadth of the relevant sections in the Act, it may be that some of the Company's activities could fall within the potentially wide definitions of political donations and political expenditure under the Act and, without the necessary authorisation, the Company's ability to communicate its views effectively to, for example, interest groups or lobbying organisations could be inhibited.

Accordingly, the Company believes that the authority contained in this Resolution is necessary to allow it and its subsidiaries to fund activities in relation to which it is in the interests of shareholders that the Company should support. Such authority will enable the Company and its subsidiaries to be sure that they do not, because of any uncertainty as to the bodies or the activities covered by the Act, unintentionally commit a technical breach of the relevant sections of the Act. Any donations or expenditure, which may be made or incurred under the authority of Resolution 14, will be disclosed in next year's annual report.

Resolution 15 – Directors' Authority to Allot Shares:

The Directors may only allot shares or grant rights to subscribe for, or convert any security into, shares if authorised to do so by shareholders. The authority conferred on the Directors on 23 June 2015 under section 551 of the Act to allot shares expires on the date of the forthcoming AGM. Accordingly, this Resolution seeks to grant a new authority under section 551 of the Act to authorise the Directors to allot shares in the Company or grant rights to subscribe for, or convert any security into, shares in the Company and will expire at the conclusion of the next AGM of the Company in 2017. Paragraph (A) of Resolution 15 will, if passed, authorise the Directors to allot shares or grant rights to subscribe for, or to convert any security into, such shares in the Company up to a maximum nominal amount of £3,722,958. This amount represents 33.3% of the Company's existing issued ordinary share capital (the Company has no treasury shares) as at 12 May 2016 (being the latest practicable date prior to publication of this Notice). Paragraph (B) of Resolution 15 authorises the Directors to allot, including the shares referred to in (A), further of the Company's unissued shares up to an aggregate nominal amount of £7,445,916, representing 66.6% of the Company's existing issued ordinary share capital (the Company has no treasury shares) as at 12 May 2016 (being the latest practicable date prior to publication of this Notice) in connection with a pre-emptive offer to existing shareholders by way of a rights issue (with exclusions to deal with fractional entitlements to shares and overseas shareholders to whom the rights issue cannot be made due to legal and practical problems). This is in accordance with the latest guidelines published by the Investment Association.

This authority will expire on the conclusion of the annual general meeting of the Company next year. The Board has no present intention to exercise this authority. However it is considered prudent to maintain the flexibility that this authority provides. The Directors intend to renew this authority annually. The Company currently holds no shares in treasury.

Resolution 16 – Disapplication of Pre-emption Rights:

Under section 561(1) of the Act, if the Directors wish to allot ordinary shares, or grant rights to subscribe for, or convert securities into, ordinary shares, or sell treasury shares for cash (other than pursuant to an employee share scheme) they must in the first instance offer them to existing shareholders in proportion to their holdings. There may be occasions, however, when the Directors need the flexibility to finance business opportunities by the issue of shares without a pre-emptive offer to existing shareholders. This cannot be done under the Act unless the shareholders have first waived their pre-emption rights. Resolution 16 asks the shareholders to do this and, apart from rights issues or any other pre-emptive offer concerning equity securities, the authority contained in this Resolution will be limited to the issue of shares for cash up to an aggregate nominal value of £1,118,005.41 (which includes the sale on a non pre-emptive basis of any shares held in treasury), which represents approximately 10% of the Company's issued ordinary share capital as at 12 May 2016 (being the latest practicable date prior to the publication of this Notice).

The Board intends to adhere to the provisions in the Pre-emption Group's Statement of Principles, as updated in March 2015, and to not allot shares for cash on a non pre-emptive basis pursuant to the authority in Resolution 15: (i) in excess of an amount equal to 5% of the total issued ordinary share capital of the Company excluding treasury shares; or (ii) in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company excluding treasury shares within a rolling three-year period, without prior consultation with shareholders, in each case other than in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

This Resolution seeks a disapplication of the pre-emption rights on a rights issue so as to allow the Directors to make exclusions or such other arrangements as may be appropriate to resolve legal or practical problems which, for example, might arise with overseas shareholders. This authority expires at the end of the next annual general meeting of the Company after the date on which this Resolution is passed (or, if earlier, at the close of business on 31 July 2017).

The Company may hold any shares it buys back 'in treasury' and then sell them at a later date for cash rather than simply cancelling them. Any such sales are required to be made on a pre-emptive, pro-rata basis to existing shareholders unless shareholders agree by special resolution to disapply such pre-emption rights. Accordingly, in addition to giving the Directors power to allot unissued ordinary shares on a non-pre-emptive basis, Resolution 16 will also give the Directors power to sell ordinary shares held in treasury on a non-pre-emptive basis, subject always to the limitations noted above. The Company does not currently hold any shares in treasury.

The Directors consider that the power proposed to be granted by Resolution 16 is necessary to retain flexibility, although they do not have any intention at the present time of exercising such power. The Directors intend to renew this authority annually.

Resolution 17 – Purchase of Own Shares:

This Resolution authorises the Directors to make market purchases of the Company's shares up to an aggregate nominal value of £1,118,005.41, representing 10% of the issued share capital of the Company as at 12 May 2016, being the latest practicable date before the publication of this Notice. Shares so purchased may be cancelled or held as treasury shares. This authority expires on the conclusion of the next annual general meeting of the Company. The Directors intend to seek renewal of this authority at subsequent annual general meetings of the Company.

The Directors have no current intention to exercise the authority sought by this Resolution, but will keep the matter under review. The Directors will use this authority with discretion, when they consider such purchase to be in the best interests of the Company. In reaching a decision to purchase shares of the Company the Directors would take account of the Company's business and any impact on earnings per share and net tangible assets per share, as well as all other relevant factors. The decision as to whether such shares bought back will be cancelled or held in treasury will be made by the Directors on the same basis at the time of purchase. Any impact on earnings per share will, for the purposes of any incentive award, be adjusted to take account of the exercise of the share purchase authority.

The minimum price that can be paid for an Ordinary Share is 1p being the nominal value of an Ordinary Share. The maximum price that can be paid shall be the higher of (i) 5% over the average of the middle market prices for an Ordinary Share, derived from the Daily Official List of the London Stock Exchange, for the five business days immediately before the day on which the share is contracted to be purchased; and (ii) the higher of the price of the last independent trade of an Ordinary Share and the highest current independent bid for an Ordinary Share on the market where the purchase is carried out as derived from the SETS.

Any purchases of Ordinary Shares would be by means of market purchases through the London Stock Exchange. Any shares purchased under this authority may either be cancelled or held as treasury shares. Treasury shares may subsequently be cancelled, sold for cash or used to satisfy options issued to employees pursuant to the Company's employee shares schemes.

As at 12 May 2016, being the latest practicable date before publication of this Notice, there were outstanding options under the Company's discretionary share incentive plans and employee share savings schemes in respect of 11,942,263 Ordinary Shares, representing 1.07% of the Company's issued ordinary share capital (there are no treasury shares) at that date. If the authority under this Resolution to purchase the Ordinary Shares was exercised in full, the proportion of Ordinary Shares subject to such options would represent 1.19% of the Company's issued ordinary share capital as at 12 May 2016, being the latest practicable date before publication of this Notice. There are no warrants outstanding.

Resolution 18 – Notice of Meetings other than Annual General Meetings:

The Act sets the notice period required for general meetings of the Company at 21 days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days. This Resolution seeks such approval. Whilst the Company's Articles of Association already provide for a minimum notice period of 14 days for general meetings, the Act (as amended by the EU Shareholder Rights Directive) requires that the Company requests Shareholders to authorise this minimum notice period at every annual general meeting in order to be able to take advantage of this provision. The approval will be effective until the Company's next annual general meeting, at which it is intended a similar resolution will be proposed. The Directors' intention is to only call general meetings on less than 21 days' notice where such shorter notice period is merited by the business of the meeting or thought to be in the interests of shareholders as a whole.

Notes to the Notice of Annual General Meeting

1. Only those members entered on the register of members of the Company as at close of business on Friday 17 June 2016 (or if the AGM is adjourned, close of business on the date which is 48 hours before the time fixed for the adjourned AGM excluding any UK non-working days) shall be entitled to attend and vote at the above meeting and a member may vote in respect of the number of Ordinary Shares registered in the member's name at that time. In each case changes to entries in the register of members after such time shall be disregarded in determining the rights of any person to attend and vote at the AGM. These requirements reflect Part 13 of the Act and Regulation 41 of The Uncertificated Securities Regulations 2001 (as amended).
2. A member of the Company who wishes to attend the meeting in person should arrive at Enbrook Park, Sandgate, Folkestone, Kent, CT20 3SE in good time before the meeting, which will commence at 11.00am. In order to gain admittance to the meeting, members may be required to prove their identity.
3. A member may appoint a proxy (who need not be a member of the Company) to exercise all or any of their rights to attend, speak and vote at the AGM. You can appoint the Chairman of the meeting or anyone else to be your proxy at the AGM. You can also, if you wish, appoint more than one proxy provided that each proxy is appointed to exercise the rights attached to a different share or shares held by you. A proxy need not be a member but must attend the AGM in order to represent you, and must vote in accordance with your instructions. A Form of Proxy is enclosed. The notes to the Form of Proxy include instructions on how to appoint the Chairman of the AGM or any other person as proxy.
4. **To be valid, the Form of Proxy and any authority under which it was executed (or a notarially certified copy of such authority) must be deposited with the Company's Registrars, Capita Asset Services, in accordance with the instructions set out on the Form of Proxy by no later than 11.00am on 17 June 2016** (or if the AGM is adjourned, 48 hours before the time fixed for the adjourned AGM, excluding any UK non-working days). Completion of the enclosed Form of Proxy will not preclude shareholders from attending and voting at the meeting in person (although voting in person at the AGM will terminate the proxy appointment).

Members who prefer to vote online can do so through the Saga Shareholder Services Portal www.sagashareholder.co.uk where full instructions on the procedure are given. The Investor Code (IVC) printed on the Form of Proxy will be required in order to use the online voting facility. Alternatively, members who have already registered with Saga Shareholder Services Portal can vote online by logging on to their portfolio at www.sagashareholder.co.uk and clicking on the link to vote.

A proxy appointment made electronically will not be valid if sent to any address other than those provided or if received after 11.00am on 17 June 2016.

5. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM to be held on 21 June 2016 and any adjournment(s) thereof by using the procedures described in the CREST Manual (available at www.euroclear.com).

CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ('EUI') specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by 11.00am on 17 June 2016. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred,

in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).

6. **If you hold your shares within the Saga Shareholder Account ('SSA') then you will have been sent a Form of Direction with this Notice. The Investor Code (IVC) printed on the Form of Direction will be required in order to log in to the system. Voting online will not preclude you from attending and voting at the meeting in person. Notes 3 to 5 above do not apply to you.

An electronic vote will not be valid if sent to any address other than those provided or if received after 11.00am on 16 June 2016.

7. In the case of joint holders of shares, the vote of the first named in the register of members who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders.
8. 9. If you are a person who has been nominated by a member under section 146 of the Act to enjoy information rights in accordance with section 146 of the Act, Notes 3 to 6 above do not apply to you (as the rights described in those Notes can only be exercised by members of the Company) but you may have a right under an agreement between you and the member by whom you were nominated to be appointed or to have someone else appointed, as a proxy for the AGM. If you have no such right or do not wish to exercise it, you may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.

12. Any member attending the meeting has the right to ask questions. 13. It is possible that, pursuant to requests made by members of the Company under section 527 of the Act (Members' power to require website publication of audit concerns), the Company may be required to publish on its website a statement setting out any matter relating to the audit of the Company's accounts (including the Auditor's Report and the Conduct of the Audit) that are to be laid before the AGM.

The Company may not require the members requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act (Requirements as to website availability). Where the Company is required to place a statement on its website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which

may be dealt with at the AGM will include discussion regarding any statement that the Company has been required under section 527 of the Act to publish on its website.
