- (b) the minimum price (exclusive of expenses) which may be paid for an Ordinary Share is £0.01;
- (c) the maximum price (exclusive of expenses) which may be paid for an Ordinary Share is an amount equal to the higher of:

Explanatory Notes to the Resolutions

The notes on the following pages explain the proposed Resolutions.

Resolutions 1 to 14 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 15 to 18 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three quarters of the votes cast must be in favour of the resolution.

Resolution 1 – Annual Report and Accounts:

Under section 437 of the Act, the Directors of the Company are required to lay before the Company in general meeting its annual accounts and reports for the financial year ended 31 January 2017. The report of the Directors, the accounts, and the report of the Company's auditors on the accounts and on those parts of the Directors' Remuneration Report that are capable of being audited are contained within the 2017 Annual Report and Accounts.

Resolution 2 – Directors' Remuneration Report:

In accordance with section 439 of the Act, shareholders are requested to approve the Directors' Remuneration Report. The Directors' Remuneration Report, which is set out on pages 67 to 89 of the 2017 Annual Report and Accounts, gives details of Directors' remuneration for the financial year ended 31 January 2017 and sets out the way in which the Company will implement its policy on Directors' remuneration. The Company's auditors, Ernst & Young LLP, have audited those parts of the Directors' Remuneration Report capable of being audited (as set out on pages 75, 82 and 85 to 86 of the 2017 Annual Report and Accounts). The vote on the Directors' Remuneration Report is advisory in nature in that payments made or promised to Directors will not have to be repaid, reduced or withheld in the event that this Resolution is not passed.

Resolution 3 – Declaration of Final Dividend:

A final dividend can only be paid after the shareholders have approved it at a general meeting. If approved, the dividend will be paid on 30 June 2017 to shareholders on the register of members of the Company at the close of business on 12 May 2017.

Resolutions 4 to 10 – Election of Directors:

Resolutions 4 to 10 propose the re-election of Directors. In accordance with the UK Corporate Governance Code, all Directors will submit themselves for re-election at this annual general meeting. If re-elected, the re-elections of Directors will take effect at the conclusion of the Company's AGM.

The Company is committed to high levels of corporate governance in accordance with the UK Corporate Governance Code. The UK Corporate Governance Code recommends that all directors of FTSE 350 companies should be subject to annual election by shareholders. The Company has decided to adopt this requirement of best corporate governance practice, on a voluntary basis, and all Directors will therefore seek annual re-election at future annual general meetings of the Company.

The UK Corporate Governance Code also recommends that non-executive directors should only be appointed for specified terms subject to re-election and to statutory provisions relating to the removal of a director. Any term beyond six years should be subject to a particularly rigorous review, and they should not serve more than nine years. Gareth Williams, Orna NiChionna and Ray King (the 'Non-Executive Directors') were all appointed on 29 May 2014. Their first three-year term is due to expire on 28 May 2017. Therefore, in line with the UK Corporate Governance Code's provisions and best practice procedures, the Board considered renewal of their appointment for a further three years. The Board's Nomination Committee recommended and the Board agreed that the Non-Executive Directors' performance continued to be effective and they demonstrated commitment to the role. The Board approved the renewal of their appointment for a further three years subject to re-election at the Annual General Meeting and statutory provisions relating to the removal of a director.

Biographical details of each of the Directors standing for re-election are below.

The Company has determined that each of the four independent non-executive directors being proposed for re-election (being Ray King, Bridget McIntyre, Orna NiChionna and Gareth Williams) (together 'the Independent Directors') meet the independence criteria prescribed in the UK Corporate Governance Code. The Company confirms that there have been no previous or existing relationships, transactions or arrangements between each of the Independent Directors and the Company or any of its directors. All of the Independent Directors are experienced and have a broad knowledge of the sectors in which the Company operates. In light of their career experience and knowledge, the Board considers that each Independent Director brings valuable skills to the Board and provides an impartial viewpoint.

A full evaluation of the Board, its committees and its individual Directors took place during the year. This was an externally-facilitated review conducted by Independent Audit Limited. A full explanation of the evaluation exercise can be found on page 51 of the 2017 Annual Report and Accounts. The Chairman confirms that each of the Directors being proposed for re-election continues to be effective and to demonstrate commitment to the role and has sufficient time to meet his or her commitments to the Company.

Resolutions 11 and 12 – Auditor:

The Company is required to appoint or re-appoint an auditor at each general meeting at which accounts are presented to shareholders. It is also normal practice for the Audit Committee to be authorised to determine the level of the auditor's remuneration for the ensuing year. The current appointment of Ernst & Young LLP as the Company's auditors will end at the conclusion of the AGM. Resolution 11 proposes the appointment of KPMG LLP until the conclusion of the next general meeting of the Company at which accounts are laid. Resolution 12 grants authority to the Company's Audit Committee to determine the auditors' remuneration.

As explained in the 2017 Annual Report and Accounts, in accordance with the Statutory Auditors and Third Country Auditors Regulations 2016 which require FTSE 350 companies to tender the audit at least every 10 years, the Audit Committee oversaw a formal tender process during 2016 for the external audit services with a view to the change being implemented for the financial year starting on 1 February 2017. Details of the tender process can be found in the Audit Committee Report on page 61 of the 2017 Annual Report and Accounts.

As an auditor ceasing to hold office, Ernst & Young LLP has provided the Company with a Statement of Circumstances, confirming its resignation as the statutory auditor with effect from the 2017 AGM. A copy of the Statement of Circumstances is set out in the Appendix to this Notice on page 15.

Resolution 13 – Political Donations:

The purpose of Resolution 13 is to authorise the Company and/or its subsidiaries to make limited political donations or incur limited political expenditure, within the meaning of such expressions as contained in the Act. It is not proposed or intended to alter the Company's policy of not making political donations, within the normal meaning of such expressions.

However, given the breadth of the relevant sections in the Act, it may be that some of the Company's activities could fall within the potentially wide definitions of political donations and political expenditure under the Act and, without the necessary authorisation, the Company's ability to communicate its views effectively to, for example, interest groups or lobbying organisations could be inhibited.

Accordingly, the Company believes that the authority contained in this Resolution is necessary to allow it and its subsidiaries to fund activities in relation to which it is in the interests of shareholders that the Company should support. Such authority will enable the Company and its subsidiaries to be sure that they do not, because of any uncertainty as to the bodies or the activities covered by the Act, unintentionally commit a technical breach of the relevant sections of the Act. Any donations or expenditure, which may be made or incurred under the authority of Resolution 13, will be disclosed in next year's annual report.

Resolution 14 – Directors' Authority to Allot Shares:

The Directors may only allot shares or grant rights to subscribe for, or convert any security into, shares if authorised to do so by shareholders. The authority conferred on the Directors on 21 June 2016 under section 551 of the Act to allot shares expires on the date of the forthcoming AGM. Accordingly, this Resolution seeks to grant a new authority under section 551 of the Act to authorise the Directors to allot shares in the Company or grant rights to subscribe for, or convert any security into, shares in the Company and will expire at the conclusion of the next AGM of the Company in 2018. Paragraph (A) of Resolution 14 will, if passed, authorise the Directors to allot shares or grant rights to subscribe for, or to convert any security into, such shares in the Company up to a maximum nominal amount of £3,722,958. This amount represents 33.3% of the Company's existing issued ordinary share capital (the Company has no treasury shares) as at 21 April 2017 (being the latest practicable date prior to publication of this Notice). Paragraph (B) of Resolution 14 authorises the Directors to allot, including the shares referred to in (A), further of the Company's unissued shares up to an aggregate nominal amount of £7,445,916, representing 66.6% of the Company's existing issued ordinary share capital (the Company has no treasury shares) as at 21 April 2017 (being the latest practicable date prior to publication of this Notice) in connection with a pre-emptive offer to existing shareholders by way of a rights issue (with exclusions to deal with fractional entitlements to shares and overseas shareholders to whom the rights issue cannot be made due to legal and practical problems). This is in accordance with the latest guidelines published by the Investment Association.

This authority will expire on the conclusion of the annual general meeting of the Company next year. The Board has no present intention to exercise this authority. However, it is considered prudent to maintain the flexibility that this authority provides. The Directors intend to renew this authority annually. The Company currently holds no shares in treasury.

Resolutions 15 and 16 – Disapplication of Pre-emption Rights:

Under section 561(1) of the Act, if the Directors wish to allot ordinary shares, or grant rights to subscribe for, or convert securities into, ordinary shares, or sell treasury shares for cash (other than pursuant to an employee share scheme) they must in the first instance offer them to existing shareholders in proportion to their holdings. There may be occasions, however, when the Directors need the flexibility to finance business opportunities by the issue of shares without a pre-emptive offer to existing shareholders. This cannot be done under the Act unless the shareholders have first waived their pre-emption rights. Resolution 15 asks the shareholders to do this and, apart from rights issues or any other pre-emptive offer concerning equity securities, the authority contained in this Resolution will be limited to the issue of shares for cash up to an aggregate nominal value of £559,002.70 (which includes the sale on a non pre-emptive basis of any shares held in treasury), which represents approximately 5% of the Company's issued ordinary share capital as at 21 April 2017 (being the latest practicable date prior to the publication of this Notice).

This Resolution seeks a disapplication of the pre-emption rights on a rights issue so as to allow the Directors to make exclusions or such other arrangements as may be appropriate to resolve legal or practical problems which, for example, might arise with overseas shareholders. This authority expires at the end of the next annual general meeting of the Company after the date on which this Resolution is passed (or, if earlier, at the close of business on 31 July 2018).

The Board intends to adhere to the provisions in the Pre-emption Group's Statement of Principles, as updated in March 2015, and to not allot shares for cash on a non pre-emptive basis pursuant to the authority in Resolution 15: (i) in excess of an amount equal to 5% of the total issued ordinary share capital of the Company excluding treasury shares; or (ii) in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company excluding treasury shares within a rolling three-year period, without prior consultation with shareholders, in each case other than in connection with an acquisition or specified capital investment.

In addition to Resolution 15, Resolution 16 asks the shareholders to waive their pre-emption rights for additional 5% for transactions which the Directors determine to be an acquisition or other capital investment as defined in the Pre-emption Group's Statement of Principles. This Resolution will be limited to the issue of shares for cash up to an aggregate nominal value of £559,002.70 (which includes the sale on a non pre-emptive basis of any shares held in

treasury), which represents approximately 5% of the Company's issued ordinary share capital as at 21 April 2017 (being the latest practicable date prior to the publication of this Notice). In accordance with the Pre-emption Group's Statement of Principles, the Directors confirm that they intend to use the authority sought in Resolution 16 only in connection with such an acquisition or specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding six month period and is disclosed in the announcement of the issue, and will provide shareholders with information regarding the transaction if the authority is used.

The Company may hold any shares it buys back 'in treasury' and then sell them at a later date for cash rather than simply cancelling them. Any such sales are required to be made on a pre-emptive, pro-rata basis to existing shareholders unless shareholders agree by special resolution to disapply such pre-emption rights. Accordingly, in addition to giving the Directors power to allot unissued ordinary shares on a non-pre-emptive basis, Resolutions 15 and 16 will also give the Directors power to sell ordinary shares held in treasury on a non-pre-emptive basis, subject always to the limitations noted above. The Company does not currently hold any shares in treasury.

The Directors consider that the power proposed to be granted by Resolutions 15 and 16 is necessary to retain flexibility, although they do not have any intention at the present time of exercising such power. The Directors intend to renew this authority annually.

Resolution 17 – Purchase of Own Shares:

This Resolution authorises the Directors to make market purchases of the Company's shares up to an aggregate nominal value of £1,118,005.41, representing 10% of the issued share capital of the Company as at 21 April 2017, being the latest practicable date before the publication of this Notice. Shares so purchased may be cancelled or held as treasury shares. This authority expires on the conclusion of the next annual general meeting of the Company. The Directors intend to seek renewal of this authority at subsequent annual general meetings of the Company.

The Directors have no current intention to exercise the authority sought by this Resolution, but will keep the matter under review. The Directors will use this authority with discretion, when they consider such purchase to be in the best interests of the Company. In reaching a decision to purchase shares of the Company the Directors would take account of the Company's business and any impact on earnings per share and net tangible assets per share, as well as all other relevant factors. The decision as to whether such shares bought back will be cancelled or held in treasury will be made by the Directors on the same basis at the time of purchase. Any impact on earnings per share will, for the purposes of any incentive award, be adjusted to take account of the exercise of the share purchase authority.

The minimum price that can be paid for an Ordinary Share is 1p being the nominal value of an Ordinary Share. The maximum price that can be paid shall be the higher of (i) 5% over the average of the middle market prices for an Ordinary Share, derived from the Daily Official List of the London Stock Exchange, for the five business days immediately before the day on which the share is contracted to be purchased; and (ii) the higher of the price of the last independent trade of an Ordinary Share and the highest current independent bid for an Ordinary Share on the market where the purchase is carried out as derived from the SETS.

Any purchases of Ordinary Shares would be by means of market purchases through the London Stock Exchange. Any shares purchased under this authority may either be cancelled or held as treasury shares. Treasury shares may subsequently be cancelled, sold for cash or used to satisfy options issued to employees pursuant to the Company's employee share schemes.

As at 21 April 2017, being the latest practicable date before publication of this Notice, there were outstanding options under the Company's discretionary share incentive plans and employee share savings schemes in respect of 17,888,136 Ordinary Shares, representing 1.60% of the Company's issued ordinary share capital (there are no treasury shares) at that date. If the authority under this Resolution to purchase the Ordinary Shares was exercised in full, the proportion of Ordinary Shares subject to such options would represent 1.78% of the Company's issued ordinary share capital as at 21 April 2017, being the latest practicable date before publication of this Notice. There are no warrants outstanding.

Resolution 18 – Notice of Meetings other than Annual General Meetings:

The Act sets the notice period required for general meetings of the Company at 21 days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days. This Resolution seeks such approval. Whilst the Company's Articles of Association already provide for a minimum notice period of 14 days for general meetings, the Act (as amended by the EU Shareholder Rights Directive) requires that the Company requests Shareholders to authorise this minimum notice period at every annual general meeting in order to be able to take advantage of this provision. The approval will be effective until the Company's next annual general meeting, at which it is intended a similar resolution will be proposed. The Directors' intention is to only call general meetings on less than 21 days' notice where such shorter notice period is merited by the business of the meeting or thought to be in the interests of shareholders as a whole.

Notes to the Notice of Annual General Meeting

1. Only those members entered on the register of members of the Company as at close of business on 20 June 2017 (or if the AGM is adjourned, close of business on the date which is 48 hours before the time fixed for the adjourned AGM excluding any UK non-working days) shall be entitled to attend and vote at the above meeting and a member may vote in respect of the number of Ordinary Shares registered in the member's name at that time. In each case changes to entries in the register of members after such time shall be disregarded in determining the rights of any person to attend and vote at the AGM. These requirements reflect Part 13 of the Act and Regulation 41 of The Uncertificated Securities Regulations 2001 (as amended).
2. A member of the Company who wishes to attend the meeting in person should arrive at Enbrook Park, Sandgate, Folkestone, Kent, CT20 3SE in good time before the meeting, which will commence at 11.00am. In order to gain admittance to the meeting, members may be required to prove their identity.
3. A member may appoint a proxy (who need not be a member of the Company) to exercise all or any of their rights to attend, speak and vote at the AGM. You can appoint the Chairman of the meeting or anyone else to be your proxy at the AGM. You can also, if you wish, appoint more than one proxy provided that each proxy is appointed to exercise the rights attached to a different share or shares held by you. A proxy need not be a member but must attend the AGM in order to represent you, and must vote in accordance with your instructions. A Form of Proxy is enclosed. The notes to the Form of Proxy include instructions on how to appoint the Chairman of the AGM or any other person as proxy.
4. **To be valid, the Form of Proxy and any authority under which it was executed (or a notarially certified copy of such authority) must be deposited with the Company's Registrars, Capita Asset Services, in accordance with the instructions set out on the Form of Proxy by no later than 11.00am on 20 June 2017** (or if the AGM is adjourned, 48 hours before the time fixed for the adjourned AGM, excluding any UK non-working days). Completion of the enclosed Form of Proxy will not preclude shareholders from attending and voting at the meeting in person (although voting in person at the AGM will terminate the proxy appointment).

Members who prefer to vote online can do so through the Saga Shareholder Services Portal

www.sagashareholder.co.uk where full instructions on the procedure are given. The Investor Code (IVC) printed on the Form of Proxy will be required in order to use the online voting facility. Alternatively, members who have already registered with Saga Shareholder Services Portal can vote online by logging on to their portfolio at **www.sagashareholder.co.uk** and clicking on the link to vote.

A proxy appointment made electronically will not be valid if sent to any address other than those provided or if received after 11.00am on 20 June 2017.

5. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM to be held on 22 June 2017 and any adjournment(s) thereof by using the procedures described in the CREST Manual (available at **www.euroclear.com**).

CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ('EUI') specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by 11.00am on 20 June 2017. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred,

in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).

6. **If you hold your shares within the Saga Shareholder Account ('SSA') then you will have been sent a Form of Direction with this Notice. The Investor Code (IVC) printed on the Form of Direction will be required in order to log in to the system. Voting online will not preclude you from attending and voting at the meeting in person. Notes 3 to 5 above do not apply to you.

An electronic vote will not be valid if sent to any address other than those provided or if received after 11.00am on 19 June 2017.

7. In the case of joint holders of shares, the vote of the first named in the register of members who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders.
8. The Directors' service contracts, the Non-Executive Directors' letters of appointment, the Terms of Reference of the sub-committees of the Board of Directors and a copy of the Company's Articles of Association will be available for inspection during normal business hours on any weekday (Saturday, Sunday or public holidays excluded) at the registered office of the Company from the date of this Notice until the completion of the AGM and at the place of the meeting for at least 15 minutes prior to and during the meeting.
9. If you are a person who has been nominated by a member under section 146 of the Act to enjoy information rights in accordance with section 146 of the Act, Notes 3 to 7 above do not apply to you (as the rights described in those Notes can only be exercised by members of the Company) but you may have a right under an agreement between you and the member by whom you were nominated to be appointed or to have someone else appointed, as a proxy for the AGM. If you have no such right or do not wish to exercise it, you may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.
10. As at 21 April 2017 (being the latest practicable date before publication of this Notice) the Company's issued share capital consists of 1,118,005,405 Ordinary Shares, carrying one vote each. No shares were held in treasury. Therefore, the total voting rights in the Company as at 21 April 2017 is 1,118,005,405.
11. This Notice of AGM together with the information listed below, is available on the Company's website www.corporate.saga.co.uk
- (a) the matters set out in this Notice of AGM;

 - (d) members' statements, members' resolutions and members' matters of business received by the Company after the first date on which notice of the AGM is given.
12. Under section 319A of the Act, any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if: to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; the answer has already been given on its website in the form of an answer to a question; or it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
13. Under sections 338 and 338A of the Act, members who satisfy the threshold requirements in those sections have the right to require the Company:
- (a) to give, to members of the Company entitled to receive notice of the meeting, notice of a resolution which may properly be moved and is intended to be moved at the meeting; and/or
 - (b) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business.

A resolution may properly be moved or a matter may properly be included in the business unless:

- (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise);
- (b) it is defamatory of any person; or
- (c) it is frivolous or vexatious.

Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than 10 May 2017, being the date six clear weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.

14. It is possible that, pursuant to requests made by members of the Company under section 527 of the Act (Members' power to require website publication of audit concerns), the Company may be required to publish on its website a statement setting out any matter relating to the audit of the Company's accounts (including the Auditor's Report and the Conduct of the Audit) that are to be laid before the AGM.

The Company may not require the members requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act (Requirements as to website availability). Where the Company is required to place a statement on its website under section 527 of the Act, it must forward the statement to the Company's auditor no later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM will include discussion regarding any statement that the Company has been required under section 527 of the Act to publish on its website.

15. A member that is a company or other organisation not having a physical presence can appoint someone to represent it. This can be done in one of two ways: either by the appointment of a proxy (described in Notes 3 to 5 above) or one or more corporate representatives. Members considering the appointment of a corporate representative should check their own legal position, the Company's Articles of Association and the relevant provisions of the Act. Corporate representatives may exercise on its behalf all of the powers of a shareholder, provided that (where there is more than one representative and the vote is otherwise than on a show of hands) they do not do so in relation to the same shares.
16. You may not use any electronic address provided either in this Notice of AGM or any related documents (including the Form of Proxy/Direction) to communicate with the Company for any purpose other than those expressly stated.
17. The results of voting at the AGM will be announced through a Regulatory Information Service and will appear on our website **www.corporate.saga.co.uk** as soon as they are available.
